Benefits of Becoming a YVLA Affiliate Business Member

The Yakima Valley Landlords Association (YVLA) was established in 1975 to improve and maintain good standards in the management of residential rental property through education of its members. We promote high standards and provide our members with the tools needed to be successful. We have been an active association in the valley for over 30 years and we strive to provide a strong network of **Rental Property Owners, Property Management Companies, Tenants and the many other companies we all do business with.**

The Yakima Valley Landlords Association, with its 500 plus members, would like to extend to you an invitation to become an Affiliate Member of our organization. As an Affiliate you would enjoy the following benefits:

- ✓ The opportunity to target market valuable potential customers!
 - ✓ Affiliate Members are the first referrals given when requests come into the office for specific service providers to help landlords with their needs.
 - ✓ Your company would be listed in our monthly newsletter as an Affiliate Member.
 - ✓ Your company would be listed on our web site with a link to your company's homepage!
 - ✓ You are welcome and encouraged to attend our association monthly meetings where you can meet and mingle with many of your potential customers!
 - ✓ You can supply handouts for the Affiliate Information table at our monthly meetings.
 - ✓ Affiliate Members are scheduled to make presentations at our membership meetings.
 - ✓ You would be welcome and encouraged to contribute articles for the association's monthly newsletter with topics that relate to the landlords and your business.
- One year Affiliate Membership dues are \$200.
